# INDEX TO VOLUME 100

*Pagination according to months:*
January, 1957, 1–46
February, 1957, 47–105
March, 1957, 107–145
April, 1957, 147–195
May, 1957, 197–240
June, 1957, 241–303

Abstracts of Papers Presented Before the Meetings of The Johns Hopkins Medical Society 99, 141, 187, 234, 294
Aerial Dissemination of Pulmonary Tuberculosis. Riley, R. L., Wells, W. F., Mills, C. C., Nyka, W., Storey, P. B. and McLean, R. L. 295
Andrews, E. C. Jr.: Five Cases of an Undescribed Form of Pulmonary Interstitial Fibrosis Caused by Obstruction of the Pulmonary Veins 28
Antibiotics. The Sensitivity of Pathogenic Bacteria to a Series of 1
Aortic Stenosis due to Malformed Mitral Valve 209
Asper, Samuel P. Jr.: Coexisting Testicular Deficiency and Hyperthyroidism—by Design or by Chance 188
Atrio-ventricular Defect of Membranous Septum. Left Ventricular-Right Atrial Communication with Malformed Mitral Valve Simulating Aortic Stenosis. Report of a Case. Ferencz, Charlotte 209
Austrian, Charles Robert, 1885–1956. Chesney, Alan M. 47
Avery, Mary E.: (see Guild, Harriet G.) 187

Baker, B. M.: (see Davis, F. W.) 294
Bang, Frederik B.: (see Luttrell, Charles N.) 235
Bennett, Ivan L. Jr.: (see Petersdorf, Robert G.) 1
(see Rahman, Abdul N.) 17
(see Petersdorf, Robert G.) 197
(see Petersdorf, Robert G.) 277
Berthrong, Morgan: (see Connor, Thomas B.) 241
Biological and Medical Research in the Arctic, with a Film on the Life History of the Adelie Penguin 100
Biosynthesis of Fatty Acids by Mammalian Liver. Langdon, Robert G. 294
Book Reviews 43, 101, 143, 190, 237, 296
Bovine Gamma Globulin. The Development of Arterial Lesions Following Prolonged Sensitization to 58
Distribution of Allergic Lesions Following Multiple Injections of Bovine Albumin, Bovine Gamma Globulin, and Albumin and Globulin Together with Special Reference to the Occurrence of Granulomatous Arteritis 71
Boyer, Samuel H. IV: Clinical and Laboratory Observations on the Treatment of Complete Heart Block 141

Capillary Permeability in Congestive Heart Failure. Ross, Richard S. and Walker, W. Gordon 99
Carotid Sinus, Denervation of for the Relief of Repeated Attacks of Syncope 14
Chesney, Alan M.: Charles Robert Austrian, 1885–1956 47
Clinical and Laboratory Observations on the Treatment of Complete Heart Block. Boyer, Samuel H. IV, and Murray, John F. 141
Coexisting Testicular Deficiency and Hyperthyroidism—by Design or by Chance. Asper, Samuel P. Jr. and Wilson, E. Hunter, Jr. 188

Chesney, Alan M.: Charles Robert Austrian, 1885–1956 47
Clinical and Laboratory Observations on the Treatment of Complete Heart Block. Boyer, Samuel H. IV, and Murray, John F. 141
Coexisting Testicular Deficiency and Hyperthyroidism—by Design or by Chance. Asper, Samuel P. Jr. and Wilson, E. Hunter, Jr. 188

Connor, Thomas B.: Hypertension due to Unilateral Renal Disease—with a Report on a Functional Test Helpful in Diagnosis ..... 241
Course and Prognosis of the Reticuloendotheliosis with Particular Emphasis on Schüller-Christian Disease. Guild, Harriet G., Avery, Mary E. and McAfee, J. G. ..... 187

Davis, F. W.: Experimental Hormonal Therapy of Atherosclerosis. Preliminary Observation on the Effects of Two New Compounds ..... 294
Development of Arterial Lesions Following Prolonged Sensitization to Bovine Gamma Globulin. Germuth, Frederick G. Jr. and Heptinstall, R. H. ..... 58
Diabetes Mellitus, Inapparent, as a Cause of Renal Insufficiency due to Kimmelstiel-Wilson Lesions ..... 132
Disturbance in the Excretion of Para-Aminobenzoic Acid in Metabolites in Liver Disease. Whittlesey, Philip ..... 51

Edgerton, Milton T.: (see Meyer, Eugene) ..... 234
Experimental Hormonal Therapy of Atherosclerosis. Preliminary Observation on the Effects of Two New Compounds. Davis, F. W., Scarborough, W. R., Baker, B. M., Singewald, M. L. and Mason, R. E. ..... 294
Experimental Studies on the Immunologic and Histologic Effects of Prolonged Exposure to Antigen. I. Distribution of Allergic Lesions Following Multiple Injections of Bovine Albumin, Bovine Gamma Globulin, and Albumin and Globulin Together with Special Reference to the Occurrence of Granulomatous Arteritis. Heptinstall, R. H. and Germuth, Frederick G. Jr. ..... 71

Fatal Hypertensive Crisis Following Denervation of the Carotid Sinus for the Relief of Repeated Attacks of Syncope. Case History. Ford, Frank R. ..... 14
Ferencz, Charlotte: Atrio-ventricular Defect of Membranous Septum. Left Ventricular-Right Atrial Communication with Malformed Mitral Valve Simulating Aortic Stenosis. Report of a Case ..... 209
Fever. Studies on the Pathogenesis of ..... 197, 277
Fibrosis, Pulmonary Interstitial, Caused by Obstruction of the Pulmonary Veins. Five Cases of an Undescribed Form of ..... 28
Five Cases of an Undescribed Form of Pulmonary Interstitial Fibrosis Caused by Obstruction of the Pulmonary Veins. Andrews, E. C. Jr. ..... 28
Ford, Frank R.: Fatal Hypertensive Crisis Following Denervation of the Carotid Sinus for the Relief of Repeated Attacks of Syncope. Case History ..... 14
Freedman, Lawrence R.: Inapparent Diabetes Mellitus as a Cause of Renal Insufficiency due to Kimmelstiel-Wilson Lesions ..... 132

Germuth, Frederick G. Jr.: The Development of Arterial Lesions Following Prolonged Sensitization to Bovine Gamma Globulin ..... 58
(see Heptinstall, R. H.) ..... 71
Studies of Immunologic Mechanisms in Hypersensitivity: Anaphylactic Shock Induced in Normal Guinea Pigs by Antigen-Antibody Complexes Prepared in Vitro ..... 187
Graham, John B.: (see Gross, James D.) ..... 223
Gross, James D.: Splenectomy in Hemophilia ..... 223
Guild, Harriet G.: The Course and Prognosis of the Reticuloendothelioses with Particular Emphasis on Schüller-Christian Disease ..... 187

Hartmann, Robert C.: (see Gross, James D.) ..... 223
Hemophilia. Splenectomy in ..... 223
Hemorrhagic Encephalitis in Chick Embryos Infected with Influenza Virus. Hook, Edward W. and Wagner, Robert R. ..... 235

Heptinstall, R. H.: Experimental Studies on the Immunologic and Histologic Effects of Prolonged Exposure to Antigen. I. Distribution of Allergic Lesions Following Multiple Injections of Bovine Albumin, Bovine Gamma Globulin, and Albumin and Globulin Together with Special Reference to the Occurrence of Granulomatous Arteritis ..... 71
(see Germuth, Frederick G. Jr.) ..... 58
Hitherto Undescribed Vulnerability of the Juxtamedullary Glomeruli in Lipoid Nephrosis. Rich, Arnold R. ..... 173
Hook, Edward W.: Hemorrhagic Encephalitis in Chick Embryos Infected with Influenza Virus 235
Howard, John Eager: (see Connor, Thomas B.) ..... 241
Hypertension due to Unilateral Renal Disease—with a Report on a Functional Test Helpful in Diagnosis. Connor, Thomas B., Berthrong, Morgan, Thomas, William C. Jr. and Howard, John Eager ..... 241

Inapparent Diabetes Mellitus as a Cause of Renal Insufficiency due to Kimmelstiel-Wilson Lesions. Freedman, Lawrence R. ..... 132

Keefer, Chester Scott: The Thayer Lectures for 1956.
I. Pyelonephritis—Its Natural History and Course ..... 107
II. The Diaphragm: Some Reflections on its Function and its Diseases ..... 147
Kimmelstiel-Wilson Lesions. Inapparent Diabetes Mellitus as a Cause of Renal Insufficiency due to ..... 132
Kuffler, Stephen W.: Pacemaker Mechanism ..... 141

Langdon, Robert G.: The Biosynthesis of Fatty Acids by Mammalian Liver ..... 294
Liver. Disturbance in the Excretion of Para-Aminobenzoic Acid in Metabolites in Liver Disease .. 51
Luttrell, Charles N.: Myoclonus in Cats with Newcastle Disease Virus Encephalomyelitis ..... 235

McAfee, J. G.: (see Guild, Harriet G.) ..... 187
McKinnon, George E.: (see Germuth, Frederick G. Jr.) ..... 187
McLean, R. L.: (see Riley, R. L.) ..... 295
Mason, R. E.: (see Davis, F. W.) ..... 294
Metabolites. Disturbance in the Excretion of Para-Aminobenzoic Acid Metabolites in Liver Disease ..... 51
Meyer, Eugene: Psychology of Patients Seeking Plastic Surgery ..... 234
Mills, C. C.: (see Riley, R. L.) ..... 295
Mitral Insufficiency, Congenital ..... 209
Murray, John F.: (see Boyer, Samuel H. IV) ..... 141
Myoclonus in Cats with Newcastle Disease Virus Encephalomyelitis. Luttrell, Charles N. and Bang, Frederik B. ..... 235

Nephrosis, Lipoid. A Hitherto Undescribed Vulnerability of the Juxtamedullary Glomeruli in .. 173
Nyka, W.: (see Riley, R. L.) ..... 295

Obstruction of the Pulmonary Veins. Five Cases of an Undescribed Form of Pulmonary Interstitial Fibrosis Caused by ..... 28

Pacemaker Mechanism. Kuffler, Stephen W. ..... 141
Petersdorf, Robert G.: Sensitivity of Pathogenic Bacteria to a Series of Antibiotics ..... 1
Studies on the Pathogenesis of Fever.
VI. The Effect of Heat on Endogenous and Exogenous Pyrogen in the Serum of Dogs ..... 197
VII. Comparative Observations on the Production of Fever by Inflammatory Exudates in Rabbits and Dogs ..... 277
Psychology of Patients Seeking Plastic Surgery. Meyer, Eugene and Edgerton, Milton T. ..... 234

Rahman, Abdul N.: The Rate of Penicillin's Bactericidal Action on Staphylococci in Vitro: Some Observations on the So-Called Zone Phenomenon ..... 17
Rate of Penicillin's Bactericidal Action on Staphylococci in Vitro: Some Observations on the So-Called Zone Phenomenon. Rahman, Abdul N. and Bennett, Ivan L. Jr. ..... 17
Renal Disease, Unilaternal. Hypertension due to, with a Report on a Functional Test Helpful in Diagnosis ..... 241
Renal Insufficiency. Inapparent Diabetes Mellitus as a Cause of Renal Insufficiency due to Kimmelstiel-Wilson Lesions ..... 132
Rich, Arnold R.: A Hitherto Undescribed Vulnerability of the Juxtamedullary Glomeruli in Lipoid Nephrosis ..... 173
Riley, R. L.: Aerial Dissemination of Pulmonary Tuberculosis ..... 295
Rose, Mary C.: (see Petersdorf, Robert G.) ..... 1
Rosenfeld, Morris: A Wetting Agent for Blood Clot ..... 141
Ross, Richard S.: Capillary Permeability in Congestive Heart Failure ..... 99

Scarborough, W. R.: (see Davis, F. W.) ..... 294
Sensitivity of Pathogenic Bacteria to a Series of Antibiotics. Petersdorf, Robert G., Bennett, Ivan L. Jr. and Rose, Mary C. ..... 1
Septal Defect, Membranous, Atrio Ventricular, Left Ventricular, Right Atrial Communication ..... 209
Singewlad, M. L.: (see Davis, F. W.) ..... 294
Sladen, W. J. L.: Biological and Medical Research in the Arctic, with a Film on the Life History of the Adelie Penguin ..... 100
Splenectomy in Hemophilia. Gross, James D., Hartmann, Robert C., Graham, John B. and Taylor, C. Bruce ..... 223
Staphylococcus. The Rate of Penicillin's Bactericidal Action on Staphylococci in Vitro: Some Observations on the So-Called Zone Phenomenon ..... 17
Storey, P. B.: (see Riley, R. L.) ..... 295
Studies on the Pathogenesis of Fever.
VI. The Effect of Heat on Endogenous and Exogenous Pyrogen in the Serum of Dogs. Petersdorf, Robert G. and Bennett, Ivan L. Jr. ..... 197
VII. Comparative Observations on the Production of Fever by Inflammatory Exudates in Rabbits and Dogs. Petersdorf, Robert G. and Bennett, Ivan L. Jr. ..... 277
Studies of Immunologic Mechanisms in Hypersensitivity. Anaphylactic Shock Induced in Normal Guinea Pigs by Antigen-Antibody Complexes Prepared in Vitro. Germuth, Frederick G. Jr. and McKinnon, George E. ..... 187
Study of End-Plate Potentials. II. Observations on the Actions of Certain Oximes. Wagley, Philip F. ..... 287

Taylor, C. Bruce: (see Gross, James D.) ..... 223
Thayer Lectures for 1956. Keefer, Chester Scott ..... 107, 147
Thomas, William C. Jr.: (see Connor, Thomas B.) ..... 241

Wagley, Philip F.: A Study of End-Plate Potentials. II. Observations on the Actions of Certain Oximes ..... 287
Walker, W. Gordon: (see Ross, Richard S.) ..... 99
Wagner, Robert R.: (see Hook, Edward W.) ..... 235
Wells, W. F.: (see Riley, R. L.) ..... 295
Wetting Agent for Blood Clot. Rosenfeld, Morris A. ..... 141
Whittlesey, Philip: Disturbance in the Excretion of Para-Aminobenzoic Acid in Metabolites in Liver Disease ..... 51
Wilson, E. Hunter, Jr.: (see Asper, Samuel P. Jr.) ..... 188
